there are no local fly shops that have that sort of thing.

there's heritage, which will have an assortment of weird old stuff. ymmv as to its value to you.

there's ll bean, which will have a tiny assortment of branded gear. they may be having their big fishing sale soon (20% off branded gear), why not call up and ask? their streamlight rods are cheap and well constructed. its backed up what really is the best warranty in the business.

or, there's a trip toabela's, tco, or orvis in plymouth meeting.
