Ran over my Diamondback VSR last year. A friend got ahold of Cortland and sent it in for me at 20 dollars and 11 dollars for the insurance. 3 weeks later I got my A-1 rod back with a new top half. This rod fits me better than any Sage or Winston I have ever handled.

I made sure he did not lie about what happened to the rod. I just wanted the rod back in action and I was willing to pay into the hundreds. Strangely it was one of the rods WITHOUT the Cortland name anywhere on it.

Feels like an old friends back that I havent seen in awhile.
