In fact I was using that line (Not hungry) at Nashimany since they just recently stocked it. (It's more of a Trout Shell Shock Syndrome I believe that led to the poor catch ratio for everyone there.) U know...Change in water temp, new surroundings etc.

Even we hesitate to eat or look at a menu when we see a Roach Coach (vending truck) even though we are hungry. We would rather go to a restuarant we are familiar with.
