Messing around with some ideas for my mid may trip to central PA. Please let me know what you think of the sulphur nymph I tied up. Thanks for the input, and I can't wait to be back on the creek.

Hook-sz 14 2xl

thread-brown

tail-mallard

rib-sm amber

lead wraps with bead tied under shell

dubbing-rust with dark hares ear, and a little purple

legs- partridge

shell-turkey tail

David
