Its not on college/26 its actually off the mountain off 322 past the go-kart area....apparently it has some lmb....and that's what im looking for is a pond/lake that is fishable from the shore for LMB or SMB

Yeah, the retention pond/lake on 26 is completely different than the tussey pond you are talking about.

Fished bald eagle a few times from my buddy's boat...not much of a fan.
