Thanks. Love me the glass!

I got out to the 'Stoga yesterday on my lunch break. I had to look pretty funny standing on the banks of the stream in my black dress shoes, slacks and tie. Nothin' on the little white popper, nothin' on a bugger (brown and white), nothing on a SJW, nothin' on a white wulff. Odd. I admit I haven't done WW fishing this early in the past. Any suggestions? I'll go out again today on my lunch break. I'm wearing chords and I have a pair of sneakers in the car this time....so dirt won't show up as well as it did on my black dress pants 😊 |

One thing. I heard a very loud splash. I thought that a limb of a tree fell in the creek. I looked across the stream, and sure enough, a huge carp jumped clear out of the water. I mean, it was 100% air born. What he was jumping for, I don't know, but it was amazing! He did it more than once while I was there. Wish I could have gotten a cast out to him.
