Selling some surplus items laying around.

Winston Passport 4wt 4pc rod- only about 3 or 4 months old. Broke the tip and sent it to winston for warranty repair. Will have it back in 2-4 weeks then I want To sell it. Should be as good as new. Comes with sock and tube. \$165

Lamson Konic 1.5- decent little reel but I have no use for it now.
Comes with Rio 4wt WF Trout line and bag/original box. Make an offer.

Redington Rise reel- 5wt, burnt orange in color. Used literally one time on the stream. \$100

I hate to ship stuff so local meet up would be better. I'm in Cambria county but travel to Philadelphia or the Lehigh Valley every week. We can work the logistics out.
