No sooner did I join the camp with friends than Ms. D went and bought a camper. Part of the reason for joining the camp was so I'd have a place to stay in NC PA that didn't cost anything and I could go there any time I wanted. Now my time is split between the 2. I'm not really liking it. I'd rather have 1 or the other, not both. There's an advantage to having a camper, but it scares me she wants to do it full time. I don't, I'd almost rather live at the camp full time.
