I am looking at the stocking schedule and meeting place for the lower Lehigh(FEW to Sandy Run), and it is saying the next stocking is 4/16 meeting at Exit 273-White Haven-int. of I80 & SR940. I do not know precisely where that would be. I know where 940 runs across 1-80, maybe there is a parking area at exit 273? I would think they would meet at the bridge in White Haven at the entrance to the bike path. Anyone go to this stocking before and know if it is in an area exactly at exit 273?

That is quite a far way from the Outlet to the Dam. Maybe the FEW reservoir stocking hits right below the outflow and the access road below. It does say that for FEW stocking, one meeting place is FEW on 4/20, and FEW on 3/26 was exit 273 in White Haven and the other is Irena Lake meet-up to stock FEW on 5/7.
