Closed Tunnel Penns Creek Poe Paddy Catch and Release Area

Author: : Luke

URL:

I hear that the tunnel access from Poe Paddy campground to the Catch and Release wilderness area of Penns Creek is closed, but not completely blocked off.

How many people are going to take their chances and pass through anyway?

Is there a trail up and over instead of through the tunnel?

I am thinking to take along a hard hat or bike helmet and just take my chances.

Your thoughts?
