That sucks, but what can ya do?

Yeah, I've made the walk many times too, though from the Poe Paddy end. It's a pretty typical Penns Creek day for me to go through the tunnel and walk DOWN to Cherry Run, then fish my way back.

The reason I wouldn't access from the Cherry Run side is the DRIVE being too long. When in that area, I'm always coming from the west. Either camped at Poe Paddy or based out of the State College area. That adds a lot of driving time!

I'm much more likely to park somewhere around where Swift Run comes in, and walk down from there. Parking in that area sucks. But it's not that much more of a walk.
