Black surge 7/8/9 brand new never used in box with card and a spare spool with card never used. I bought these and now need little money so they to go. \$120 retail asking \$100 shipped or for pickup.

Also have a new orvis tackle pak vest xl \$50 plus ship. I don't have pic of vest right now but you can see on orvis site I believe I wore it twice. No rips etc perfect condition.

I cannot get the pic of reel to load for some reason but you can for to reddington and check it out.
