Nice goin pcray! Yesterday was the first time I broke double digits in 2013 too...not counting a stockie trip with spinners anyway. Landed about 20 on a SE PA Limestoner...also on only two flies, but they were BH Scuds. Saw a few rises to something seemingly invisible to me, but nothing consistent. No real big fish for me either...most were little 6-8 inch wild Browns, but a couple went closer to 10". I also caught a few big, FAT stocker Browns and Bows that a group of bozos insist on throwing in this obvious "Class A" stream.
