As for a cheap I would personally say go to wal mart buy a eagle claw black eagle 4/5w \$22w tax, order a cabelllas wind river 3/4 reel \$26 shipped and buy a good line for it. I really like the rio avid trout 4wt on that rod myself. But it is the rio grand taper with out the fancy slick additives. Or maybe go with a rio gold 5wt line just to soften up the rod/slow the action down a little bit.

Any ways thats my .02...
