Say something like: "Excuse me, Sir, if you wanted this hole/run/riffle, you could have asked and I would have given it to you. I don't find it fun to fish on top of one another. There is a lot of water to fish, so I guess one of us should move along." Then wait for his/her suggestion.

Of course, if they already ruined the hole/run/riffle for you, don't wait for his/her suggestion.
