Head south on 501 just past the Lanc/Leb line, Camp Mac, Pretzel Hut. Turn left on Fox Rd at the old Spring Lake swimming pool. Run that all the way back to the bottom of the hill where the hard top splits to the left. Keep going straight on the dirt. Bottom of the next hiil is the Seg Loch. Turn right and follow it for about a mile or so. Find a place to park and fish it back upstream. It's tight and shallow. Good luck. 30 years ago I used to fish it all the time. It ain't what it used to be. But, it is what it is. Hammer the up side of 322 would be the better deal. Just say'n.
