Our own Chaz ties the best crane fly pattern I've ever used. It's from the swap archives here in the tying forum.

Gotta give credit where credit is due - it's a great fly.

[Chaz's crane fly](#)

I do like Chaz's fly, I'm going to try it as well. I just love all the different patterns you get to see and try on here. There are so many good tyers that post their ties, you know tried and true.
