Fly Fishing Film Tour

Now entering its seventh year, The Fly Fishing Film Tour (F3T) has become the entertainment event of the year for America's diverse fishing community. In 2012 the Film Tour screened in over 125 North American cities and provided a venue to showcase some of the country's best independent outdoor film makers. The goal of F3T is to energize the industry and inspire film makers to create new cutting edge films that both entertain and educate outdoor enthusiasts.
