Slumdum,

Cts From New Zealand And Gatti From ItalY Make Nice Blanks. The Stuff From Asia Is JuNk Compared To Us Made Blanks. Us Made Are Much More Consistent In Straightness, Action, Length Etc. They Are Produced In Smaller Batches, In House By Highly Skilled Adults. Asian Blanks Are Made In Factories In Large Batches Along With Whatever Else That Factory Manufactures By Unskilled Workers. I Have No Clue What You Mean When You Say Foreign Blanks Consistently Outperform Us Ones. Outperform How? Take A Tour Of Sage, Scott, WinstoN, Tnt, Etc And Take A Look How Blanks Are Made. The AsiAn Blanks Arent Even Close.
