Hey Smike, I know you've taken a lot of gruff in this thread. I just want to say "thank you" for your consistent and honest answering.

Folks like me who have no idea one way or another (and are just interested in the possibility of adding another skill to our arsenal) appreciate your feedback and honest opinion of the works, even under fire.

It's just fishing. A few new bells and whistles (or rather, a few less), but it's just another fly in the pack to a lifelong fly fisherman. Today is not my day to worry about expanding, but it might be someone else's
