Mike, thanks for the words of wisdom, nice to see people on here aren't afraid to help a newbie out.

You will find these gentlemen and ladies to be some of the nicest people you will ever interact with.

The amount of knowledge they willing share is constantly amazes me. And all that is ever asked is that you share your knowledge (as you develop it) in turn.

Not to say that you won't get some occasional busting, but it's normally all in good fun.
