A Delta Wing Caddis (from Fly Fisher's Paradise) and a reverse-tied pattern from LLH fly shop have worked well for me. These were yellow/orange/tan, depending on the fly color. Both are easy to tie. Sizes were #14 and #16. I found them to be most important on Spring Creek and LLH.

The knotted legs patters look great, but they seem like overkill to me. It's a cost/benefit thing, IMO.
