Do you think a little rain on Wednesday will blow out the streams into the weekend? They seem to be in pretty okay shape right now.

I don't think we are going to get much rain. 😊 I think morning fishing will be slow until the sun heats the water a little. Big Pine looks rreally nice right now. Not sure of the water temp but maybe Bob can let us know. I was going to check it yesterday but trying to get my work done so I can take off Friday.
