penkev- My Phone Messes Up The Spelling And CapitalizEs Every Word, I Don't Know How To Fix It. I Own, And Have Built A Lot Of Rods, Own About A Dozen, Have Built Probably 15 More. I Have No Experience With The Hardy. I, May Not Be The Best Fisherman, But I Know A Lot About Graphite And GlaSs Rods. I Am On A Scott Kick Right now. I Have 8 Graphite Scott PowR Plys And One GlaSs Powr Ply. I Own Or Have Owned Or Have Built on St Croix, Loomis, Sage, Orvis, Lamiglas, Batson, Dan Craft, Fenwick, All Star, Tiger Eye, Cts (paddock), Steffen, kabuto And More Private Label No Name Blanks. Below Is a Handfull I grabbed and Took A Pic Of. The Ones Out Of The Case Are The Paddock And Kabuto. I Stand By My Statement That Us Made Blanks (An Cts, And Probably Gatti) Are Far Superior To Asian Made Blanks, Case Closed Cw.
