It's your right to think whatever you want Brad I agree that being able to fish Penns, Spring, or Fishing Creek has jaded my vision about fishing once you fish them I don't think you even think about stock trout but living in places with not having that I guess you have to fish stock trout.

You also have the right to think whatever you want, but it does not make your comment correct. You also have a misconception of where I fish & what type, either stocked or wild. I also have fished all of the above. Your jaded vision might be a little clearer if you got your nose out of....
