I noticed that your profile does not list the Steelers!! And they are a good team.

Anyways....I'm here in Philly and there are no wild trout in my neck of the city - So my choice is between something on ice at the supermarket or something that put's up a little bit of a fight/gives me a bit of enjoyment and relieves stress. That is unless I want to drive for several hours.

"It's a shame that this fun topic turned into someone putting down other's enjoyment, sports teams, etc. for their own pleasure."
