I flyfish for wild and stocked trout. I have seen stocked fish that have been in the water a while that are as hard to catch as a wild fish. You guys who say you fish ONLY over wild fish are missing ALOT of fun!

BINGO, we have a winner. It's about having fun and in some cases you only have a short time to fish. Would I rather catch a wild trout? Sure I would, but I also want to enjoy my time and a tug brings enjoyment. I sure as hell ain't out there for the heck of it.
