Haha, well i see all the snobs are still snobby on this forum after 5 years.

I really don't think anyone was snobbish about it, first two posts were light hearted humor. Besides, anyone that is going to insert TrollFace as a retort surely have internet thick skin. LOL.

Native, wild, non stocked, planted, grown, hatched, who the hell cares, the question was clear.

Seems you care as you asked the question!!! LOL.

People ride so high these days. Time to get off the site for another 5 years.

I do not advocate getting high.

When I was watching you handle the big rainbow all I could think about was your avatar and go "come on! come on big boy! start shaking him!"
