I am unsure what happened. I went to send Todd a PM on Saturday, but noted that he has not been on the website since April 23rd. It seems like he forgot about the contest. I called Harmans on Saturday evening around 6PM and left a reminder message for him with the lady who answered; she said that he was fishing, so I've got to respect that!

I am really disappointed as it seemed my chances of winning were good considering how people responded with interest. I was planning to leave town here around 8AM this morning and did have my bag half packed.
