As many of you may or may not know I'm originally from the Oswego Pulaski area of New York. Fished both rivers for many years. Well since moving away I try to get up for weekend trips on a regular basis. Well went up Friday the 26 till today. Got a one day license for yesterday ( I know I need to break down and just buy a year one ). Well yesterday was the best fishing I have seen on the lower fly section I have seen since I moved away. Even better I took the 10 weight the gf got me for Christmas and broke it in very nicely. Had 4 brown trout and 5 steelhead all over 22 inches come to my hand all within 2 hours.
