Thanks everyone, yeah once in a great while i get the camera gear out, wish i did more often but i'm too busy working and dealing with this fishing addiction.

mario- yeah like paco said one of those spaniel breeds, sorry not to fluent in dog breeds, but she was pretty much the perfect dog. heck she spent a few minutes with me and by the time i was done petting her i could have dubbed a nice spaniel muskie fly lol.

Paco- as soon as i get around to a pa liscense i'll be at your door saying lets find teeth! with a load of metal for the day! there aint much better than talking fishing and good heavy music.

tbowersox- thanks to you, i would really love a place other than walmart that's close to me that has fresh leaders and tippet. there is nothing worse than having to drive 45+ min for trust worthy fishing supplies. and from what i saw this will be a great shop, cant wait to actually see it. then after all that is done, we'll get down on the bamboo!

and the one detail i omitted. "MUSKIE LOVE SWEATY TEDDY, CAT SCRATCH FEVER REALLY GETS THEM GOING!" Josh McDunn Allegheny River Muskie Master.
