Quill Gordon Summit Guys,

Again had a blast with you guys. Looking forward to it next year. As we left early Sunday morning. Skybay and I decided to fish Spring Cr on the way home, but not after a little drama on the way down to Spring. We stopped at Sheetz for gas outside Lock Haven and dumb ass me locked my keys in my car. Car thief's we wouldn't make. After about an hour of trying. A young fellow came over and asked if he could help. He told me it's happened to him plenty of times. He had it unlocked like right now. I thanked him and we were on our way. Spring fished pretty good for me but not so well for Jared. We fished till almost dark, lots of BWO's and even seen about a doz Sulphur's. It was a good trip and fishing with Jared was hilarious as always. Wish you guys could have stopped. Again looking forward to net years Summit. And Andy Thank You again for letting us all stay at your camp.
