Just missed you guys. I bought a used fish cat 9 on Saturday at a garage sale. This meet up is exactly why I bought one. I have been looking at new ones all season, then this one pops up and I couldnt pass up the price. \$350 in great shape? Fair deal right? Anyway I'll keep looking for float meet ups and if anyone wants go add me to your list of people with boat. Also its my first boat and it would be nice to get some experience hands on from someone who has learned a little over the years.
