DJ I'm glad you and everyone else enjoyed the day. It's hard to tell sometimes whether something like that will have a big turnout or a small one. Musky on the fly is the next big thing in fly fishing and there is a lot of interest. It was a great time. Musky Nation gets bigger and bigger by the day. The guys at Allegheny River Flyfishing are top notch guys. That shop is going to be sweet once it's setup.

By the way like everyone else said awesome pics DJ. We will get together sometime soon hopefully and throw some big stuff.
