I am still amazed every mini jam I have intentions to make and something comes up, turns out to be a suckfest for fishing. DaveS will back me up on this. lol

Miles of hiking in the woods, amazing food, plenty of beer, awesome company, and a great place to kick up at the end of the night=not a suck fest!

Coty and Wetfly had an awesome day on Pine Friday. They themselves redeemed the "suckfest" as far as fishing goes.

Purposely stated fishing because I know the surrounding events are worth while.
