Crawdad- if you or anyone else knows how to upload vid from a samsung s3 ill see if I can get it down to one of my favorite holes tonight n shoot it. I really wanna see as well tried in the bath tub but not enough room. Id put it in my fish tank but I think the fish would have heart attacks.

And a huge thanks to Paco, Td55, Brad Bohlen, and my buddy Eric. Now Eric and I are caought in this as well....
