Thanks Bill,

yeah you left to soon they were hitting on top yesturday and today (weds.) Dog can hardly move like mark and myself. called it early today since i have to get ready for djmyers this weekend. apple caddis is coming off with a mix of hendricksons, QD's and blue quills. along with a small tan caddis. FISH are hitting on top water is holding above the 50 deg. mark now...fished west branch and lyman also since you departed.....Thanks again Bill for coming had a great time as always !!
