I have some 1/4 and 5/16. One should work for you. Stop a Lowe's and it's a bunch cheaper than actual "anchor rope" from a sporting goods place. Honesdale has a couple of hardware / farm stores. Should be to the Capra Saturday around 9-9:30. If you want to hit it with me and Tom, you're in. Are you in decent physical condition? I'll wear ya out. If the wind is favorable, we are leaving by 10 for an all dayer.
