For what it's worth, Allen hooks are about 7 cents each by the 100 and that is the best price I have seen for quality hooks. Obviously when you buy packs of 100 you can get an assortment in your total of 1000. I don't know if they discount beyond that for larger orders, but it couldn't hurt to ask. TMC by comparison are about 17 cents each by the 100. I would be surprised if you could find more than a 50% discount for bulk purchase.
