Wow. Doesn't sound like Family business to me.

I feel for the kayakers. The shock takes a few days to wear off. Sadly I have found two bodies, both times it made me very sad and depressed.

It makes you realize that life is fragile, even though it doesnt seem it mostly.

A relative found a body canoeing in VA. Apparently the FBI showed up and they had to give statements. They never found out why the Feds came but they never heard anything more about it.

Geebee, how is it that you have found two bodies?
