no, one was walking along the beach in India and i found him at the bottom of a high cliff. the verdict that he was drunk taking a whizz off the cliff and fell off.

the other one was at work in Boston. I was the first one in one morning and the night security guard had thrown himself off the roof 7 floors up...

that was a real shaker for me. such a waste. he was just a kid. as I said, it took me a few days to get over it. very sad I was.
