I can't believe there is any gel floatant that will work on cdc.

Tiemco Dry Magic. Stuff is amazing. I'm yet to find anything that it doesn't work on.

better then frog's fanny?

It's different, not better. I use both when fishing CDC/snow shoe hare. I'll dress my fly with Dry Magic before I start fishing then use some Frog's Fanny as needed if the fly becomes water logged.
