For the mods/organizers. Went through this thread and the food thread.

The count for those who have personally responded that they are coming. Plus their verifications of others that are coming (when mentioned by name).

Plus a few non-specific indications of others, such as "and crew".

I'd assume there's some that haven't chimed in, and others who will decide to come last minute. I'd guess 80+ on Saturday night, at a minimum.

I included my own party. For the record, I am coming and bringing at least 1, Scott, who is not a member of the forum but has been at past jams. His son is a maybe, who has also been to a jam before. We will be tenting. Timing either Wednesday night-Sunday or Friday night-Tuesday, still deciding.
