Is Jack M. the same Jack M. that had the shop at the junction the Genesee Forks and Pine for a while many years ago? I can't remember his last name. It was one of those long Slav/Russian names like Menkavich. We had a bunch of folks with the same name with farms back home in southern Erie County, so I should be able to remember it..

Mickiewicz. That was it..

He was a good guy. I used to like to stop in and see him when he had the shop. If indeed its the same guy.
