We're down to counting the days. 😊

Should be a good time as always. Just a couple brief reminders (that you already know.....but I'll reiterate anyway):

-Our goal is a good time but let's remember to treat the site and the other campers who are there with respect and courtesy. Last year the pavilion looked pretty good on Sunday morning but a few of us had to pick up a bit more than we should have. Please keep using the trash can and when they start to overflow, the dumpster is in the courtyard near the restrooms.

-We'll cover the costs of the pavilion, firewood, etc from the proceeds from Saturday night's raffle. Leftover funds will be donated to an appropriate PA FFing charity.

-Quiet hours are at 11pm. Since we will be up later than that, please keep this in mind. If you're playing a musical instrument (which is encouraged), please leave the electrical amplification devices at home.

-Be careful navigating the intersection of the campground entrance and Rt 322. It's an open intersection with good view, but people drive on the road downhill faster than they should.

-If you're attending the jam for the first time, it's very informal. There's no overall fishing plan. Just get together with whomever you want and go fish. You're on your own for food etc.
