Note tanker crash, and fire, at interchange of 81 and 322 in the Harrisburg area. It melted the road! Some ramps down indefinitely.

I'm tryin to figure out how it effects me. From the best I can tell, coming from the east, 81 South to 322 W should be ok. But 81 N to 322 W is closed, as is just passing over 81 on 22/322 from Harrisburg (the heat from the fire warped the supports for the overpass, too). Can any locals confirm those details???
