Dear osprey,

I'm already a little bit goofy, I can't afford to be messing around with melted lead! 😊

I've decided I can make do with the eyes from Allen Flyfishing. They aren't exactly the same as the ones in the picture but they are the closest version out of all the close enough versions.

I just wish things wouldn't change so dang much, I like things the way they were!

Regards,

Tim Murphy 😊
