Okay, based on some conflicts for August 10 and new plans that have come up for August 17, we are now looking at July 27 as the targeted date for Fish N Chips, The Sequel. I do believe we did it in July last year, so hopefully this date works well.

This is open to all PAFF members, family and friends. All we ask is that you bring something to share and come ready to enjoy, learn and/or help. Tricos should be on by then and weather hopefully will be okay. Mods and Dave are invited as our guests, so don't worry about bringing anything.

As we get closer, I'll start to prepare a list of who is coming and what they will bring.

We'll see if we can get one of our PAFF Experienced members to do a little program for us. Last Year Old Lefty did a great casting demo which was VERY well received by the group. So if any of our guys want to PM me to volunteer a short program to benefit our members, that would be greatly appreciated.

For anyone that attended last year, please PM me (or H-A or Dog) if you have comments on things we could do to improve the experience for everyone.

We met last year around dawn for coffee and donuts, fished the tricos and then started lunch around 11, with the program (if we have one) after lunch.

Look forward to seeing all of you,  
Fox
