pCray.....How can we call guys like those "hacks"??? My God these folks are DR\$ ..... he gives up a job makin big bucks to stick his head out on the chopping block ..... to flaunt his knowledge of fraud in the face of these people.....while pursuing his hobby??

He was an former ER doctor that probably stood too close to the ether for too long.

What makes you think that a former ER doctor would be more knowledgeable about these things than a metallurgist or electrical engineer?
