I see. So, if I quit my job and decide to take this fly fishing thing seriously, you would consider me to be an authority on the subject? 😊

Osprey, I'm just messing with you. It's what I do.

However, I would never consider hiring my MD to build any kind of power generating devices for me. Just sayin...

Just because a person is educated in one thing doesn't make him an expert in everything ... Afterall, he is not Al Gore or Barry O, and I am not the Nobel Prize committee.

BTW, Dennis Kucinich once saw a UFO, too.
